

English Schools' Athletic Association  
35th South-West Regional  
Combined Events  
and Race Walking  
Championships

hosted by  
Somerset Schools' AA

The Bill Whistlecroft Athletics Arena, Yeovil  
Saturday 24h and Sunday 25th June  
**2023**

## WELCOME

On behalf of the Somerset Schools' AA, the South-West Schools' AA and the English Schools' AA, I am delighted to welcome everyone to the 35<sup>th</sup> South-West Regional Combined Events Championships (including Race Walks, as usual). Following cancellation in 2020, 2021's entry of 71 (from 5 counties) increased by 10 last year (with 7 counties taking part) so another 10 additional athletes this year (to 91) indicates a most encouraging trend. At this rate, in 2026 we could reach 120 – the number of entries we were seeing 15 to 20 years ago.

I should like to express my gratitude to all those in the Somerset Schools' AA, the Somerset County AA, Yeovil Olympiads AC and the Arena staff for their work in the preparation and hosting of the Championships. A further thank-you must go to our loyal band of officials; I am sure that those working hard throughout this weekend will enjoy (and indeed contribute to) the unique atmosphere that always pervades Combined Events competition.

The quality of our officials has helped us to secure a Level 2 Licence, so the meeting has been approved by World Athletics. This means that scores achieved this weekend will be eligible for inclusion in the European and World Under-20 rankings on the relevant websites.

Thanks to the dedication, knowledge and support of many loyal teachers and coaches, the South-West Region has built up a strong tradition in Combined Events since the inception of the ESAA Championships in 1988. A gratifying result of that strong base has meant that many of our individuals and teams have featured on the podium at national level and a number of our most talented athletes from all 8 counties have earned England vests at the Home International Indoor Pentathlons in Glasgow or Athlone.

It is clear that although we live in a relatively rural part of the country, South-West athletes are capable of national and even international success, given the talent, application and determination they show; qualities that will surely be in evidence throughout these 2 days!

Of course, any success achieved this weekend would not have been possible without the encouragement of those parents, coaches and teachers who devote many hours (and a considerable amount of money) throughout the year in helping athletes in their quest for improvement - I am sure your tremendous support is appreciated.

**6 Regional Championships are taking place this weekend with athletes vying for places in the ESAA Combined Events Championships at Bedford International Athletic Stadium, on Saturday and Sunday 16 and 17 September. The winning county team of 4 athletes in each age group will qualify, together with the 2 highest-placed individuals in each age group. Finally, the next 9 highest scorers from across any of the 6 Regional Meetings will also be invited, with those athletes identified within a week or so.**

In closing I would like to wish everyone a happy and successful meeting and I am sure that those teams and individuals who qualify for the ESAA Championships in Bedford will compete with pride and loyalty for their county, and indeed, on behalf of the whole of the South-West.

**Finally, GOOD LUCK to every athlete over these two days in his or her battle against the toughest of all opponents – the Scoring Tables!**

**RICHARD BOWDEN.**

**(ESAA South-West Regional Combined Events Secretary).**

## IMPORTANT NOTES

1. The meeting shall be run under UKA and ESAA rules. Rules for Competition may be found in the 2023 ESAA Handbook.
2. No responsibility for loss or injury can be accepted by the organisers.
3. It is the responsibility of the athletes to report to each event in sufficient time, and to be aware of any announcements of possible changes in the schedule. **Please Note: The event time in the programme is the competition start-time – not the start of warm-up.** Please be prepared to report for track events 20 minutes before the published time of the event and 30 minutes before the stated time for field events. **This will allow sufficient time for warm-up jumps and throws.**
4. Coaching of athletes from within the competition area could lead to their disqualification.
5. Competitors must wear the number allocated in the programme. Numbers must be worn **front and back** except in the Jumps events, where only one number need be worn. **Please pin numbers at all four corners.**
6. All throwing implements will be provided. Personal throwing implements must be handed in to the Technical Manager **at least one hour before the event, or preferably, at the start of the day.**
7. **Three trials only** are allowed in the Long Jump and throwing events.
8. In track events, there are no "finals" - heat times are scored on the IAAF (World Athletics) and ESAA tables. Photo-finish and fully-automatic timing will be in operation throughout the weekend.
9. In the running and hurdling events, a competitor shall be disqualified in any event in which he or she has been responsible for **three** false starts. **NB: This applies to Juniors and Intermediates only. In the Senior competitions, any athlete making a false start shall be warned. Any athlete(s) making further false starts in the race shall be disqualified from the race.**
10. In the Pentathlon and Heptathlon competitions, the 800m events will **not** be started at the curved line, but **will be run in lanes for the first bend.**
11. Each result, with points, will be posted as soon as possible outside the announcer's box. **Please do not disturb the announcer or scorers at any time.**
12. Any athlete failing to take part in any of the events shall not be allowed to take part in any subsequent event in that competition, **but shall be considered to have abandoned the competition.** That athlete shall not figure in the final classification.
13. **Substitutions are permitted** and should be handed in together with any withdrawals on the appropriate form before the start of the meeting, when numbers are collected by the Team Manager.
14. **The winner** shall be the competitor who has obtained the highest number of points in the 5, 7, 8 or 10 events as the case may be, awarded on the basis of the IAAF and ESAA Combined Events Scoring Tables.
15. **In the event of a tie,** if two or more athletes achieve an equal number of points for any place in the competition, it shall be determined as a tie.
16. In the **team competition,** the **three highest scores** will be added together to make the team total.
17. **Any protest or objection** by a competitor or team against the conduct or placing of another competitor or team in any competition or relating to any matter which may develop during the carrying out of the programme shall be made to the Meeting Organiser by an authorised County Team Manager during or immediately after that particular competition. The decision of the Meeting Organiser, in consultation with the appropriate Referee, shall be final and shall be announced immediately.
18. **Certificates** will be awarded to all athletes who complete their competition.
19. **Results Service:** The full results will be posted on the Somerset Schools' AA website as soon as possible after the meeting. Please go to [somersetschoolsathletics.org.uk](http://somersetschoolsathletics.org.uk) to view them and/or print.
20. **Qualification for the English Schools' AA Combined Events Championships.** The winning county team in each age group, **plus the 2 highest-placed individuals** who are not in the winning county team, will go forward to the English Schools' AA Combined Events Championships. In addition, **the 9 highest-scoring athletes in each age group across the 6 Regional Rounds will also be invited to take part.** These 9 athletes should be able to be informed of their inclusion by next weekend (or by Tuesday 4 July at the latest).

## County Associations

<b>AVON</b>	Navy shorts with sky blue trim, sky blue vest, with white band.
<b>CHANNEL ISLANDS</b>	Red shorts, white vest with a green and red vertical stripe.
